Interim Report

Purpose

The Interim Report (Report) is a summary of the project activities and results achieved to date. It also gives you the opportunity to highlight your achievements and explain any challenges you faced so far. This Report fulfills the reporting requirement of the Funding Agreement (Agreement). The Agreement outlines when the Report is due.

Project Number		
Recipient Name		
Project Title		
Period Covered		
Fiscal Year:		
Indicate the appropriate period (mm/yyyy to mm/yyyy):		

1. Report on Progress

a) Describe the progress achieved this period for each of the objectives and/or activities as stated in your Agreement. Please list your objectives and activities. Please use specific examples and refer to your project's expected results.

b) Is the project on track to meet the expected results as stated in your Agreement?
Please give specific examples to support your answer.

c) If your project is delayed or ahead of schedule, please provide a rationale explaining how you plan to adjust your timeline and objectives.
2. Partnerships
a) Have all organisations, networks and/or partners, financial or not, kept their engagement to be involved in carrying out the project, or is the process underway?
b) If some partnerships have not or will not take place, do you expect it will put the results of this project at risk? Please give specific examples to support your answer.
c) How have you connected with people with disabilities, other experts, and partners in the disability field and other fields to help with your research? Please give specific examples to support your answer.

d) What were the roles and responsibilities of the people with disabilities, other experts, and partners in the disability field and other fields in your project? Please give specific examples to support your answer.

3. Final Thoughts

a) Is there any other information about the progress of your project that you want to share with us?

The information you provide is collected with the help and support of Accessibility Standards Canada in order to administer the program. The information collected will be subject to the Access to Information Act.

By signing this, you certify that the information you provided in this document respects the Terms of Conditions of the Funding Agreement.
