

Canada Disability Benefit

Application Information and Instructions

What is the Canada Disability Benefit?

The Canada Disability Benefit provides direct financial support to persons with disabilities. The maximum amount an eligible person could receive is \$2,400 per year (\$200 per month). Benefit amounts are based on your adjusted family net income. Adjusted family net income takes into account the yearly income from your tax return as well as your spouse or common-law partner's tax return, if applicable.

Eligibility requirements

To qualify for the Canada Disability Benefit:

- you must be between 18 and 64 years old
- you must have been approved for the [Disability Tax Credit](#)
- you and your spouse or common-law partner (if applicable) must have filed your [federal income tax return for the previous year](#).
- you must be a [Canadian resident for income tax filling purposes](#)
- you must be one of the following:
 - o a Canadian citizen
 - o a permanent resident*
 - o an individual registered or entitled to be registered under the [Indian Act](#)
