- **Date(s) of arrival in Canada,**
- **Legal status in Canada; and/or**
- **Sponsorship status (if requested by Service Canada).**

If you do not have the required citizenship and immigration documentation, you have two options:

1. **Complete this consent form:** With your consent, this form allows us to collect your information and provide it to Immigration, Refugees and Citizenship Canada (IRCC) in order to obtain immigration or citizenship information on your behalf. The signed consent form and response from IRCC will be added to your file and used to determine your eligibility and entitlement to an OAS pension and/or benefits and administer the OAS Program. Completing and returning this form may expedite the application process.

This consent form will be valid for two years from when it is received by Service Canada and must be received within one year of your signing it. You may withdraw your consent at any time, but you must do so in writing. The consent form is no longer valid in the event of your death.

2. **Contact IRCC directly to request documentation.** IRCC requires you to pay a fee. Please see IRCC's website (www.canada.ca/en/immigration-refugees-citizenship) for further information. Please note this service is not available for confirmation of **Sponsorship status**.
