Applying for a Swedish child's pension

Here is some important information you need to consider when completing your application.

Please ensure you sign the application. If you are signing with a mark, (for example: "X") the signature of a witness is required.

Your application must be supported by documentation. Please submit the documents requested. Failure to complete the application and provide the requested documentation may result in delays in processing your application.

Where original documents are specifically requested, originals must be submitted with your application. You should keep a certified true copy of any originals you send us for your records. Some countries require original documentation which will not be returned to you.

You may submit the original or a photocopy that is certified as true for any of the documents where originals are not required. It is better to send certified copies of documents rather than originals. If you choose to send original documents, send them by registered mail. We will return the original documents to you. We can only accept a photocopy of an original document if it is legible and if it is a certified true copy of the original. Our staff at any Service Canada centre will photocopy your documents and certify them free of charge. If you cannot visit a Service Canada Centre, you can ask one of the following people to certify your photocopy:

People who certify photocopies must compare the original document to the photocopy, state their official position or title, sign and print their name, give their telephone number and indicate the date they certified the document.

They must also write the following statement on the photocopy: **This photocopy is a true copy of the original document which has not been altered in any way.**

If a document has information on both sides, both sides must be copied and certified. You cannot certify photocopies of your own documents, and you cannot ask a relative to do it for you.
